

The **Instituto Internacional de Idiomas (I.I.I.)** is the leading language school in the Costa del Sol area since 1982.

Our schools are located in Marbella, Nueva Andalucía and San Pedro Alcántara where we teach more than 2500 students every year.

We are an associated examination centre from Cambridge University Language Examinations, Oxford Test Centre, Pushkin Institute and Cervantes Institute. All our schools have the Quality Certification ISO 9001.

We offer the following languages: Spanish for foreigners, English, Russian, French, German, Italian, Chinese, Portuguese and Arabic.

We also offer partly or totally funded courses by Spanish government institutions targeted specifically for working people in Spain.

Amongst our offers for younger students, we highly recommend the III Bilingual Summer Camp 2018 and the III – Marbella FC Football Camp 2018.

If it wouldn't be possible for you to attend the classes in our schools, we also offer an online course in any language of your choice.

We help our non-EU students to obtain the long term VISA which allows you to have a part-time job whilst also studying languages in our school.

ALL OUR TEACHERS ARE FULLY QUALIFIED AND THEY FOLLOW TEACHER'S TRAINING AND RECYCLING PROGRAMMES.
